As evening falls, we transform into St. Albert's premier upscale destination. Perfectly curated music sets the tone for a lively atmosphere rooted in warm Mediterranean hospitality.

Whether you crave an after-work aperitif, relaxed dinner, or spirited night with friends, ARGOS welcomes you to indulge in Mediterranean flavors with a modern twist.

ARGOSBARBISTRO.COM

After decades of sharing the rich culinary traditions of Italy through Sorrentino's Restaurant Group's acclaimed restaurants, our team embarked on a new journey to explore the diverse flavors of the northern Mediterranean.

Just as the ancient Argonauts voyaged across uncharted waters, we were drawn to the vibrant cuisines found along the northern shores of the Mediterranean Sea. Our menu is a voyage through the regions' iconic ingredients and culinary gems - olive oils, seafood, aromatic herbs and spices intermingled with Old World wine culture.

Much like the legendary Argonauts who returned home enriched by their travels, we bring these northern Mediterranean experiences back to share with you. It is our invitation to embark on a fresh odyssey celebrating the art of living well through the rustic elegance and soulful flavors of this storied region.
